ALMA MATER

Hail, Anoka, to thy fame,
Cheer unto her glorious name,
Shout her glory to the sky,
Reflect her praise in every eye,
Tribute pay her night and day,
To our dear maroon and gray,
Sing her praise on land and water,
For our dear old alma mater.

EDUCATION

It is on the sound education of the people that the security and destiny of every nation chiefly rest.—Kossuth

'Tis education forms the common mind,
Just as the twig is bent, the tree's
inclined.—Pope

Education is an ornament in prosperity
and a refuge in adversity.—Diogenes

FOREWORD

We, the class of 1943, through our staff, herewith present this "Anokan", the first "Anokan" ever to be published while our country was at war. In this volume, we have attempted to record the main events of the school year by both words and pictures.

We are thankful that we, unlike the young people of other lands, have been able to attend school without fear of screaming sirens and falling bombs.

We wish to express our appreciation to the community, to Mr. Adams and Mr. Huston, to the teachers, and to all those who have helped to make our journey through Anoka High School so pleasant and profitable.

In recognition of the services which he has rendered to our school and to our community during his fifteen years at Anoka, we, the class of 1943, dedicate this annual to our counselor and friend, Mr. L. W. Adams. His death leaves an emptiness in our hearts which will never be completely filled.

"He has achieved success who has lived well, laughed often, and loved much; who has gained the respect of intelligent men and the love of little children; who has filled his niche and accomplished his task; who has never lacked appreciation of earth's beauty—or failed to express it; who has always looked for the best in others and given the best he had; whose life was an inspiration and whose memory a benediction."

Truly, Mr. Adams' life can be called a success. His kindness and generosity will forever be an inspiration to all who knew him.

MR. L. W. ADAMS
Superintendent

We have now had a generation of almost continuous wars, revolutions, and social and economic disorder; and the end is not yet.

General Somervell says, "Every boy in the high schools is on his way into the armed forces." And we may add that every girl is on her way to render a vital service on the home front.

Recently we dedicated a service flag in honor of the men and women who have attended our high school and have entered the service of their country. These men and women are a true example that loyalty to one's country is therefore the primary duty of the citizen.

Schools must continue to be centers of learning, but they must in a larger sense, be company headquarters of the home front. May we on the home front "carry on" that these men and women who have gone from our midst, return to us and find that their efforts have not been in vain, and that America is still a land of Freedom and Democratic living.

L. W. Adams

MR. G. E. HUSTON
Principal

Anoka High School offers the opportunity to build your life within its walls. Your future will depend largely upon the kind of life you build in high school.

The school offers you the opportunity to achieve, to develop the desire to be of service, and to inculcate the attributes of character which will be invaluable for your success in life.

Self-conceit is silly, but self-reliance is necessary to boys and girls who would be strong and useful. Listen to the advice of older and wiser people; reverence the wishes of those who love and care for you and who know life better than you. Develop independence and wisdom to think for yourself. Do not be afraid of being laughed at when right. Do not be afraid of doing right when the crowd does wrong.

May pleasant memories of your high school days remain with you always.

STUDENT COUNCIL

First Row: R. Sward, D. Russell, M. Hall, V. Rainbow, R. Franke.

Second Row: Rd. Spurzem, M. Rau, L. Kay, J. Bonnell, R. Lindstrom, President; Mr. Huston, Secretary.

Third Row: R. Jacob, T. Ward.

The purpose of the Student Council is to promote better understanding between the students and the faculty by allowing the students to take part in the management of various activities, as well as to give the students an opportunity to voice their opinions on school management and on how mistakes may be corrected.

This year's council has done a lot for which it has not received much credit. Probably the most important activity of the council was the management of the football homecoming festivities. Homecoming buttons were sold, a parade was organized, and prizes were given for the best floats.

The disapproval of the council of the half-hour activity period was an important factor in the elimination of this period. The Student Council sponsored the cheerleaders and showed a feature length movie to raise money with which to purchase uniforms for them. In addition, the council was in charge of basketball homecoming. Something new was inaugurated this year—a basketball king as well as a queen.

Mr. Huston is the adviser of the Student Council.

NATIONAL HONOR SOCIETY

First Row: R. Franke, H. Ward, M. Smith, M. Zubulake, H. Brooks, D. Russell, H. Hartman.

Second Row: J. Erickson, E. Herbold, C. Schuman, L. Meister, M. Rau, C. DeLong.

Third Row: Mr. Huston, J. Kovar, R. Jacob, M. Gustafson, J. Bonnell, R. Lindstrom, T. Ward.

Fifteen students were honored by being chosen to the National Honor Society this year, making a total of twenty-one in all. Leadership, character, scholarship, and service are the qualities on which the selections are based. The juniors who were elected automatically become members of next year's Student Council.

Those who were elected last year are Joyce Bonnell, Bob Franke, Virginia Rainbow, Marian Rau, Dorothy Russell, and Ralph Lindstrom.

Seniors elected this year are Marjorie Gustafson, Joe Kovar, Matina Zubulake, Marcella Banwart, Catherine Schuman, Helen Brooks, Cynthia DeLong, Eunice Herbold, Helen Ward, and Lorraine Meister.

The juniors elected this year are Hilmar Hartman, Marilyn Smith, June Erickson, Tom Ward, and Robert Jacob.

ANOKAHI

Third Row: D. Wuest, Miss Fleischmann, Adviser; J. Blewett, M. Gustafson, B. Wallick, M. Lafferty, D. Mayo, M. Look, M. Benson, M. Witte.

The chief aim of the "Anokahi" this year has been the promotion of war activities. News stories and campaigns were based on scrap drives, buying bonds, local boys in service, new war-time courses, and pre-induction training of boys. Publicity was gladly given to campaigns conducted by other student organizations, such

as the "Buy a Jeep with Bonds" campaign conducted by the student council.

In this fashion has the "Anokahi" done its part in the furthering of the war effort.

Matina Zubulake was Editor-in-Chief of the "Anokahi" and Miss Fleischmann was adviser.

 Third Row: F. Ghostley, J. Bonnell, J. Kovar, E. Van Alstine, L. Sweezo,
 M. Iverson, A. Wilson.

The members of the 1943 "Anokan" staff have tried to make this annual more interesting than previous issues by concentrating on pictures of student activities rather than lengthy articles about them. As the Chinese say, "One picture is worth 10,000 words." The credit for most of the pictures published herein goes to

Jake Strouse, who took all but a very few of the photographs.

Some errors will undoubtedly appear, especially in the section on class pictures; but we hope you will excuse them.

Mr. Wilcox has acted as advisor to the annual staff.

BAND

The Senior High Band, consisting of forty-five members, completed a very successful season under the direction of Mr. McKellar. The Band performed for football and basketball games, pep meetings and assembly programs, and for various other school functions. Last summer, the school band presented weekly concerts for the public in place of the Municipal Band, which was forced to disband.

Besides the senior band, there was a twenty-two piece junior band. In addition, a flute trio and a clarinet trio made several public appearances during the year.

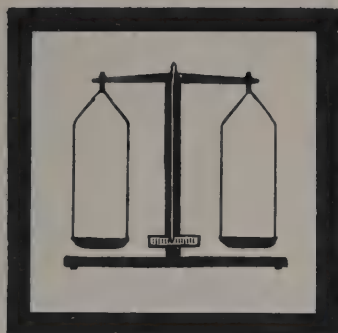

Because of war-time difficulties, the District Music Festival was not held this year. The Band, however, did participate in the annual spring concert.

F. Thurston, E. Van Alstine—Phonograph Committee.

Regular meetings were held throughout the year with various members of the club in charge of the programs. At one of the meetings, Ellis Dobratz, who worked for the Weather Bureau in Washington, D. C., gave a very entertaining and instructive talk on weather forecasting. At others, various scientific phenomena were discussed and commented on.

The most important undertaking was the program presented before the student body and written by Jake Struose entitled, "The Convention of Mad Scientists."

The Anoka Science Club is a member of the American Institute of Science and Engineering Clubs.

Ralph Lindstrom, Static Machine.

Bob Hadden, Electric Dynamo.

Third Row: D. Mayo, C. DeLong, J. Bonnell, R. Lindstrom.

The 3-act comedy drama, "Almost Eighteen," by Dana Thomas, was presented by the Senior Class on April 9. The well-chosen cast was ably directed by Miss Dorothy Buckman.

The plot centers around Eddie Barry (Joe Kovar), who enters a contest on truth to raise money so he can attend a New York music school to become a second Bing Crosby. However, he has aroused the animosity of one of the judges, Mrs. Granville (Cynthia DeLong), by fighting her son Tommy (Marshall Way), and emerging victorious. Eddie figures he can't win because of this, so with the help of Uncle George (Bill Lapham) he sends in an original essay under a false name. But by mistake, Uncle George enters an essay Eddie was studying for style, an essay written by a 17th century author. Eddie wins first prize, but the fraud is discovered by the high school principal, Mr. Merritt (Jake Strouse). Uncle George returns from a fishing trip in time to clear up the whole matter.

Luella Smith portrays Ann Sherman, Eddie's young love. Sally, Eddie's friend, was played by Matina Zubulake; Ralph Lindstrom as the father; Marjorie Gustafson, the mother; Virginia Rainbow, the sister; the music teacher, Joyce Bonnell. Two clubwomen, Cynthia DeLong and Dorothy Mayo, complete the cast.

Mr. Buehler, Adviser; E. Keyser, C. Anderson, W. Erickson.

Miss Beckman also organized a boys' glee club and a mixed chorus in the junior high.

The maroon and grey clad gridders, coached by Mr. Klonowski and Mr. Campbell, racked up their eighteenth successive victory, to rate as one of the top high school teams in the state of Minnesota. The team allowed only one touchdown scored against them all season, that tallied by Elk River against Anoka's reserves. The game scheduled with Blake was cancelled because of bad weather.

The following were elected to the All-District team: Co-captains Harold Blair and Charles Ehlen, Joe Kovar, Fred Ghostley, and Willis Castle. In addition, Charles Ehlen and Willis Castle rated "Honorable Mention" on the mythical All-State eleven. The Girls' Athletic Association is composed of more than thirty-five members this year. The purpose of the G.A.A. is the furthering of mental and physical development through athletic competition and personal hygiene and the promotion of the ideals of health and sportsmanship.

The two most important events of the year were the "mixer", which introduced new pupils to the G.A.A. and initiation. The theme of this year's "mixer" was anything pertaining to the sea. The first day of the two-day initiation is set aside for council members; but on the second, everyone in the organization may help to initiate new members.

Soccer is the first organized sport of the year. The tournament which closed the soccer season

was won by the Purple Junior Commandos. After soccer comes basketball, the most popular game of all. Basketball activities were somewhat limited this year because of the stepped-up physical training program for boys.

Volleyball, another sport liked by nearly everyone, was played by a large number of enthusiasts. Badminton, kittenball, track, and some minor sports such as tennis, hiking, and skating completed the year's program.

Because of the carameled apples and holly sales, this year's financial record was very good. As a result, the G.A.A. purchased a \$25 War Savings Bond.

The year's activities were concluded with a picnic, at which time the council for next year was installed, and awards given.

SEASON'S

The Anoka basketball team of 1942-43 completed the best record for the season in the history of the school. The Tornados played a fifteen game schedule in the regular season. They won thirteen of these games and tied with Cambridge for the Rum River Conference championship. Anoka won the sub-district meet at Anoka and also the district tournament at Milaca.

In the region 4 tournament held at Hamline University, Anoka won its first game by defeating Arlington 17 to 16. In the finals, however, Anoka was defeated by St. Paul Washington 26 to 23. Washington went on to win the Minnesota State Championship.

Anoka's complete season record stands at 18 wins against 3 losses.
